Athletics

Report to the Board

The Athletic Department has had a very strong start to the 2022-2023 school year. As of 9/6/22, we are currently running the following sports teams:

Co-ed Cross Country

Men's Soccer

Women's Volleyball

All three teams have had a wonderful start and we are excited about the remainder of the season. The Athletic Department is most excited about the newly added Middle School Men's Soccer team. The Athletic Department continues to explore athletic possibilities for our middle school aged students. While the conference does allow 6th-12th graders to participate, they are often unprepared for play at the "high school" level that our current conference requires.

As cooler weather approaches, so do our winter sports. This winter PCA plans to offer the following athletic teams:

JV Women's Basketball

Varsity Women's Basketball

JV Men's Basketball

Varsity Men's Basketball

Co-ed Swim

JV Cheer

Varsity Cheer

Elementary Archery

Middle School Archery

High School Archery

The Athletic Department is working diligently to ensure that the above teams are ready for competition this coming November. We recently completed our Basketball tryouts and we are currently in the process of naming those teams. We will be holding swim tryouts at the Dover YMCA in the next couple of weeks. As you can imagine, the athletic department is working closely with administration to transition out of our on campus gym when our construction process starts. While this will create a few headaches for our department, the athletic department is VERY excited about our gym updates! Thank you for investing in our athletic programs and our PE Department.

We hope to see you at an athletic event soon! #GoEagles
