With construction in the near future, the Athletic Department recommended doing fireworks at homecoming this school year instead of during a baseball game. Events like our midnight madness helps us pay for these events. We are already working with the local fire marshall and pyro company to make this a special evening. Please see the information below. I hope you will make plans to join us.

As always, please don't hesitate to reach out if I can be of any assistance.

Thank you,

Brandon Gosey
