### **Curriculum/Academics/Data**

- Data Talks and Incentives
  - Teachers are doing a fantastic job hosting Data Talks with individual students. In the data talks they discuss current performance, an attainable goal for the future, and ways to make progress towards the set goal. They also remind students of the incentive for growth moving forward.
  - All incentives are attainable for each student based on their previous data points and growth trends. Some incentives students can earn are popcorn, gift cards, and/or a pizza lunch. One grade level is allowing the student with the most passed iReady lessons pie a willing teacher in the face. Each year students are motivated to meet (or go beyond) their weekly goals in order to earn these incentives.

### **Professional Development:**

They have completed lesson planning, taught lessons, assisted in regular education classrooms and EC classrooms, read one on one with students, assisted with clerical duties, enforced expectations and procedures set by PCA teachers, sat in on PLCs, etc. They are also interested in applying as substitute teachers. Smith (vice chair), Marianna Davidovich, David Raney, Thomas Pack, Anna Steinberg, and Jeff Ziegler (non-voting faculty liaison) were in attendance.

The agenda of the November 1 meeting, with an addition of an agenda item to approve a budget adjustment, was approved without objection.

The board proceeded to the approval of the minutes of the August 2 meeting. Dr. Smith noted a typographical error in the penultimate paragraph – “a motion to reelect Dr. Smith” should have read “a motion to elect Dr. Smith” – and with the error corrected, the minutes were approved without objection.

Sen. Westmoreland and Mr. Ziegler updated the CFP board on the progress of Pinnacle Classical Academy and Classical Foundations Program, including an update on construction progress, school testing data, the fall CFP lecture, and CFP financial statements. Sen. Westmoreland and Dr. Smith then led a discussion on the marketing of data.

The board then discussed a proposed adjustment to the approved 2024-25 CFP budget:

- the original budget allotted \$500 toward travel expenses for the fall CFP lecture, \$500 toward travel expenses for the spring CFP lecture, an additional \$500 toward honorarium and travel costs as contingency for the fall lecture, and an additional \$500 toward honorarium and travel costs as contingency for the spring lecture
- the proposed budget adjustment reconfigured these line items to provide for a \$1,000 honorarium for the spring CFP lecture, as well as travel expenses for the lecturer and her daughter

Dr. Smith moved to approve the budget adjustment; Mr. Pack seconded the motion, and the motion passed unanimously.

Without objection, the meeting adjourned at 5:04 P.M.
