

Jammin J's Pizza Factory is thrilled to continue service at both the Upper and Lower campus of Pinnacle Classical Academy for our lunch program. Our service this year is for four days a week, Tuesday through Friday, for K-12 this school calendar year.

Our lunch program provides hot, fresh and delicious meals delivered straight to the classroom for the amazing students at this incredible academy.

We all know that most of your children love pizza... particularly Jammin J's Pizza!!! However, Jammin J's also offers Pasta, such as Mac and Cheese, Ziti Alfredo, Spaghetti and/or Side Salad and Juice Boxes as part of the lunch program meal options. We have also included Cheese Bread and a house made Pizza Lunchable this year.

These choices are made available to order online at jamminspizza.com under the **Pinnacle tab** on our website. At the bottom of the web page, under Navigation, there are instructions with pictures for setting up an account and ordering throughout the school year.

We also would encourage, when conditions allow, parents to order anywhere on the menu to have lunch delivered at the school for your kids.

Please note:

1. We ask that you order by the close of our business day on Saturday at 9 p.m. before the school week. Anything ordered after Sunday will be moved to the following week.
2. Sorry, NO SAME DAY ORDERS will made! We have limited staff, and this is impossible to manage.
3. Orders must be made online. No call or walk in orders unless system is down for some reason.
4. Please only order from the menu list under "Pinnacle" which is a limited menu for the students.
5. We provide an amazing discount when you type "**Eagle**" in the offer code.
6. For security reasons we do not retain student and teacher names so please provide the Name of the Student and Teacher Name on each order to help expedite the orders each week.
7. We will accept orders for two children on one order as long as it's clearly noted in the notes section.
8. If school is canceled on the day your order is due to arrive at Pinnacle, these orders will be moved to the same day of the next week.

Jammin J's is a locally owned restaurant providing the best service and products in Cleveland County for more than ten years now. We cannot reiterate enough how pleased we are to be a part of Pinnacle's meal options for their students and a growing part of this county!

Thank you very much for allowing Jammin J's to be a small piece in providing a fantastic environment for kids to prosper at Pinnacle Classical Academy.
