If there is a course your child is interested in and it is not listed please list it in the provided area. This is not a guarantee that we will be able to provide the course, but we are interested in your feedback. If you prefer to take additional core classes or classes as the standard level please note that here as well.

Please note that students wishing to enroll in the Associates program through CCC their junior year must have a 2.8 unweighted GPA. Honors Courses carry an extra .5 GPA weight and are more appropriate for students planning to attend a university or college. AP and other College Courses carry an extra 1.0 GPA weight.
